

# 120 m<sup>2</sup>

300 m<sup>3</sup> = 120m<sup>2</sup> x 2.5 m

## **BLUETOOTH**

Connect through bluetooth on your device

## **TIMER**

Automatic shut-down timer

## **MANUAL**

Air purifier speed control

## **AUTO NIGHT**

Automatic low noise function, verifying air quality

## **AUTO**

Automatic function, checking air quality

## **AUTO MAX**

Intensive mode for rapid improvement of air quality

## **AMBIENT LIGHT**

Air quality status in real time

# HOME PRO

**Cod:** 02202005 **EAN:** 8422248103367

- ❑ High efficiency Air purifier
- ❑ Real time air quality monitoring (indoor):
  - Air Quality level
  - VOC volatile organic compounds
  - CO<sub>2</sub> (last 7 days backup)
  - NO<sub>2</sub> (Industry, Car)
  - Ozone
- ❑ **NONVIRAIR®** purification system stages:
  - Prefilter
  - NONVIRAIR Cell
  - Solid State Carbon filter
  - HEPA H13 Fine dust filter
- ❑ Eliminates all kind of air pollutants (indoor & outdoor):
  - 100% of viruses & bacteria
  - 100% of dust PM10 , PM2.5 & PM1
  - 100% of fine dust PM0.3 and allergens
  - 100% of gas pollution (industry/cigarette/car smoke, VOC chemical products...)
- ❑ Room coverage 120 m<sup>2</sup> > aprox 300 m<sup>3</sup>
- ❑ CADR (Clean Air delivery rate) 600 m<sup>3</sup>/h
- ❑ Touch control :
  - 6 Air purification speeds
  - Auto mode for autonomous operation based on nocive gas detection.
  - Night mode
  - Intensive mode
  - Timer 1-12 hours
- ❑ Display:
  - Air quality ambient light
  - Colour TFT screen with Real time Air quality level & Graphic
  - Filter clean and change indicator
- ❑ Voltage 220/240 V 50/60Hz.
- ❑ Power 190 W
- ❑ Weight 13,5 kgs

TFT 2.8"

Wheels
